A parent’s guide for a successful week at Camp Pendola!

2020 Camp Pendola Parent Handbook

Camp Pendola is a resident camp owned by the Catholic Diocese of Sacramento celebrating its 60th season in 2020. The program gives campers an opportunity to develop an appreciation of the out-of-doors, to participate in small group Christian living with their peer group and an opportunity to develop as an individual.

Activities create a sense of stewardship of the environment; emphasizes the small group as well as the individual and emphasizes the acceptance of differences in people; and structured in a child-centered approach. Camp Pendola serves young people ages of six to seventeen and is open to all children without regard to race, color, religion, sex, national origin or economic status.

Camp Pendola is proud to be accredited by the American Camp Association. Developed exclusively for the camp industry, this nationally recognized organization focuses on program quality and health and safety issues, and requires us to review every facet of our operation. Camp Pendola has voluntarily submitted to this independent appraisal conducted by camp experts and is proud to have earned this mark of distinction.

Camp Pendola Goals
1. To instill in each camper and staff member a reverence and sense of stewardship of all living things
2. To provide opportunities that challenge each person according to their skills and abilities
3. To provide an experience of small group Christian living
4. To provide opportunities to deepen one’s faith
5. To help each camper and staff member grow and develop as an individual
6. To model servant leadership and develop servant leaders.

Camp Pendola’s Mission Statement
Camp Pendola exists to build lasting relationships, form servant leaders, and teach stewardship of God’s creations through Christian community living in the outdoors.
Money and Paperwork

Forms
All forms will be completed online. Please be sure to read our forms carefully. Registrations will be considered incomplete until the online forms, including Heath History, and $150 deposit is received.

Health History Form
Camper registrations are not complete until the Health History has been completed. With our online registration system, your child’s health history information will be completed online and must be updated each year. All campers’ health information are reviewed prior to your child’s arrival at camp so we can be prepared to meet their needs. Please be sure to notify camp if your child’s dietary needs change after you have completed your HH Form.

Camper Registration Fee
Includes meals, snacks, accident insurance, leadership provided by specially trained staff, and use of camp equipment. Additional money is not required.

Balance of Registration Fees Due
All fees are due before your child’s first day of camp. Fees can be paid all at once, or in increments between the time you register and date they are due. Once registered, at www.pendola.org, you may make additional payments with checks or credit cards using the account login you create in the registration portal.

Returned Checks
A $45 fee will be charged for checks returned due to insufficient funds. You will then be required to make all payments with a cashier’s check, money order, cash or credit card.

Confirmation
Once you have registered online and paid your deposit you will receive an automatic statement indicating any remaining balance and registration status.

Cancellation Policy
Camp Pendola reserves the right to cancel any session or program for just reason. Prompt notice will be given.
Money and Paperwork

Refund Policy
If your child is unable to attend, please let us know as soon as your plans change. If your cancellation occurs prior to June 1st, then all fees are refundable, less a $100 administrative fee. If your cancellation occurs after June 1st, or within 2 weeks of the beginning of the session, whichever is earlier, a $150 administrative is retained. No refunds are given to families of children who must be sent home due to improper behavior or who cancel without two weeks notice. You may transfer to another session without penalty if there is space.

Financial Aid
Scholarships are available to qualifying campers. Applications may be downloaded from www.pendola.org or by contacting the camp director.

We are committed to providing assistance to any camper in need, and must rely on the generosity of individual donors and benevolent organizations. In order to assist as many campers as possible, only partial camperships are awarded in most cases. Camperships are awarded on the basis of financial need and are granted on a first come, first serve basis until the funds are exhausted.

We are also willing to work with families to accommodate a personalized payment plan.

New Camper Recruitment Discount
Bring a new friend to camp for the week and earn a $25 discount for you. There is a limit of one per person. New campers cannot have attended Camp Pendola or be members your immediate family.

Early Bird Discount
Submit your completed registration form by May 15th and receive a $25 Early Bird Discount.

Multi-Child or Multi-Week Discount
An additional $25 discount off the full week will be applied for additional weeks or additional children from the same household.

Food Allergies
Camp Pendola is committed to making the camp experience as safe as possible for all children. That includes working with parents to accommodate special diets for children with food allergies. This does require prior planning on our end since the closest grocery store is 1 hour away. Have a special diet? Allergies? Let us know at least 2 weeks before you are scheduled to come to camp and we will do our best to make our menu work.

Valuables and Electronics
Please keep valuable possessions at home, including jewelry, personal sports equipment, designer clothes, radios, CD players, Walkman's/Discmans, iPods or other MP3 players, cell phones, and digital cameras (see pages 16-17). Campers should not bring electronic games or trading cards/items. We cannot be responsible for the loss of any items. Please follow the packing list.

Lost and Found
Camp Pendola is not responsible for lost items. Mark each item with the camper’s full name to assist in identification. Items left behind at an overnight site may not be able to be recovered. Unclaimed items are donated to a local Thrift Store the end of August. Mabel's Labels (http://www.pendola.mabel.ca/) is a company we work with for your convenience. Camp Pendola receives a portion of these proceeds.

Camp Swag
On opening and closing days Camp Pendola’s camp store, The Treasure Shack, is open. We have a wide variety of items available for purchase from souvenirs to camp clothing.

Clip this coupon and bring it to the Treasure Shack to Receive a Free Camp Pendola Sticker
Just Wondering

Camp Pendola Photo Gallery
Each week, Camp Pendola tries to take digital pictures of camper activities. These photos are uploaded as soon as possible after the session has ended, to the Camp Gallery hosted through Flickr and may be accessed at https://www.flickr.com/photos/camp_pendola/ Please be patient as sometimes we have a difficult time with our satellite internet service. During some weeks it is difficult to take pictures either because of the length of time children are in session (Mini Weeks) or because the activities take place at night.

Insect Repellant
Insect repellant is an item included on the Packing List for camp and campers are expected to supply their own. However, Camp Pendola keeps a supply on hand for first aid kits and locations like the archery range where campers and staff may find themselves without their own supply. Though we do not purchase any particular brand, we do select brands that we find most effective in our environment. They are DEET based with a 8-10 hour effectiveness.

Just Wondering

Camp Clothing
Campers are to wear comfortable and modest pants, shorts, jeans, sweatshirts, t-shirts, socks and lace up shoes that are appropriate for the type of program they are registered for. Clothing displaying alcohol or tobacco advertising or inappropriate or suggestive language is not allowed. Flip flops are not allowed except while taking a shower. Sandals are not to be worn unless on a canoe trip and then sandals must attach firmly to the feet. Campers are required to wear closed-toed water shoes while they are swimming. Please see the packing list for additional information.

Luggage Check
Campers’ luggage will be checked upon arrival. This is to help campers locate medication and food that may have been packed for them. Please do not send food items, including gum to camp.

Vehicles
C.I.T.’s who drive themselves to camp will be required to park in a designated place and turn their keys into the camp director.

Visitors
For the safety and security of the campers, no visitors are allowed while camp is in session.

Banned Items
Alcoholic Beverages
Tobacco Products
Illegal Drugs
Weapons—All weapons, except pocket knives, must be left at home. Weapons include but are not limited to sheath knives, bows and arrows, sling shots, guns, and clubs. Pocket knives may be collected and kept by the counselor until needed for an activity.
6 Steps to Minimizing Homesickness

Missing home at any age is a normal reaction to being at camp. The combination of unfamiliar surroundings and dealing with new people can be unsettling at first. Check out our website in the Information for Parents section and you will find an online version of Chris Thurber’s Summer Camp Handbook. This is a great resource to help prepare children for summer camp.

1. Please don’t tell your child that you will pick them up or send a cell phone so they can call home. This is a wonderful intention that may prevent your child from really giving camp a chance.

2. If possible, send your child with a friend close in age. Better yet have them stay overnight at each others home prior to coming.

3. Discuss what camp will be like. Look at the website together especially A Typical Week and Day Page.

4. Write to your child. Kids love to receive letters and emails at camp and getting one from home on the first or second day does wonders.

5. If you sense that your child is nervous about going to camp and missing home, talk about it. Have them bring a special keepsake, a stuffed animal or photo, to comfort them.

6. Cabins at camp have no electricity, so make sure the camper is comfortable falling asleep in full darkness. Have them practice keeping a flashlight close at hand.

In the event that your child does have a bout with homesickness, please be assured that he/she will receive individual counseling from staff members trained for that purpose. The vast majority of homesick children feel better within 24 hours of arriving. Finally, please be assured that a camp representative will contact you directly for support if your child is having a particularly hard time with homesickness. Otherwise, no news is good news.

Mail, Email and Phones

MAIL: We understand that mail is very important to campers and parents. In order for campers to receive mail on Monday, you may make use of the “Pendola Post” at the Treasure Shack on Sunday, or make sure you post your mail at least 4 days prior to their arrival at camp. The USPS mailing address for letters and non-food packages while your child is at camp is:

Camp Pendola
Your Child’s Name
PO Box 188
Camptonville, CA 95922

There is FED Ex and UPS service to camp. Please check before using these carriers to confirm delivery schedule. The shipping address for these carriers is:

Camp Pendola
Your Child’s Name
17888 Mill Road
Camptonville, CA 95922

All packages will be opened in front of a Pendola staff member. Food and beverages, if present, will be held in the Health Center until the end of the session. Appropriate items to include in a care package are: letters, magazines, small non-electronic games, stickers, books etc. Send packages early to ensure they arrive with enough time to enjoy them.

EMAIL: One way email service will be available for friends and families to send email messages to campers. There is an “Email Your Camper” button on the home page of the website (www.pendola.org). You may also use camppendola@scd.org to email directly. Please put the name of the camper and their cabin name in the subject line (you will be given this during check-in). Emails are distributed with regular mail once a day unless your camper is on their overnight. Because of our auto-print feature, we are unable to accommodate email attachments.

PHONE CALLS: Campers do not have access to telephones. Parents will be called if any concerns arise. Exceptions may occur in unusual situations with prior arrangements made with the Camp Director.
Life at Camp

Housing
Campers at Camp Pendola will live in primitive screened cabins with other campers of a similar age. Girls will live with other girls and a female counselor. Boys will live with other boys and a male counselor. Restrooms and showers are located down the hill from the cabins. During their week, all campers will spend at least one night sleeping “under the stars” with their cabin mates and two counselors.

Meals
Meal time is important! On Sunday, the first meal is supper. Campers sit together as a cabin group with their counselor and meals are served Family Style.

Each meal is balanced within the food pyramid. Typical dinners in camp include: baked chicken, spaghetti & meatballs, tacos, or pizza. Most lunches include a salad bar of fresh produce. Breakfasts start the day and could be scrambled eggs or hot & cold cereal, juice and fresh fruit. The hot cocoa is served after your Polar Bear Swim.

Campers are not allowed to have food in their cabins at any time. Any food that campers bring to camp (or that may be sent to them) will be held for them until their departure, unless it is to be used as a part of a special diet.

Then there’s cooking over an open fire on your camp-out: foil packets, pita bread pizzas, or macaroni & cheese.

Birthdays
Birthdays are always special at camp! On the actual day we will all sing “Happy Birthday”, and the kitchen adds a candle to that night’s dessert.

Activities
Camp Pendola is a “traditional summer camp” and therefore offers activities that are found in most general interest summer camps for children.

Activities include arts and crafts, (eg. tie dye and plastic lacing), archery with real bows and target arrows, overnight campouts where we sleep out under the stars and cook over an open fire when fire conditions allow and water activities in a natural pond it is quite cold. We also play lots of games, go on hikes, learn about our natural world, sing goofy songs and have opening and closing camp campfires.

We celebrate Mass on Sunday afternoon as a way to start our week at camp, have morning and evening prayer each day, and we sing Grace in the dining room before each meal.

One of the highlights of the week is campfire which now takes place on Friday afternoon and parents are invited to join us.
Health and Wellness at Camp

Health Check-In
All campers check in with our Health Center personnel when they first arrive at camp. The Health History form is reviewed, all medications (both prescription and over the counter) are turned in, and a head lice check is completed by our Heath Center staff. Parents have an opportunity to discuss any concerns they may have at this time. To provide a safe and healthy environment for all campers, children with a temperature of 100º F or higher and/or flu-like symptoms will be asked to return home, and arrangements will be made to participate in a different session.

Physical Exam
A physical exam is not required for attendance at Camp Pendola. Exceptions are campers who are diabetic or who are under the care of a doctor (i.e. epileptic, hyperactive, etc.). If your child is diabetic, has asthma or anaphylaxis (severe allergic reactions), please download or request that those special forms they be mailed to you. Then complete, and return them to 2110 Broadway, Sacramento, CA 95818. Registrations are not complete until the Health history has been received. NO ONE will be allowed to remain in camp, without a completed Health History form.

Medication
All medication must be clearly marked with the camper’s name, name of the medication, IN THE ORIGINAL CONTAINER WITH DIRECTIONS FOR USE. Camp Pendola staff cannot administer medications not in their original packaging. For the safety of all staff and campers, all medication will be turned in and kept at the Health Center. The only exceptions are epi pens and inhalers. This includes ALL prescription medication, over the counter medicine such as vitamins and cough drops, homeopathic medicine/natural meds or herbs and band aids. All campers are carefully watched for signs of illness and fatigue. In the event of serious illness, or if additional health care services are sought, you will be notified immediately.

You Will Be Contacted If...
Please be advised that you will be contacted if any of the following occur: camp staff have concerns about your child’s health; your child spends the night at the Health Center; camp staff have a question about your child’s medications; a visit to the local clinic or hospital is needed; or there are behavioral concerns.

Special Medical Concerns That Require Additional Forms

Asthma
If your child has asthma they will be allowed to carry their own emergency inhaler. The inhaler still needs to be seen by the Health Services Specialist during check-in, and the Special Medical form for campers with Asthma needs to be completed and returned prior to camp attendance.

Anaphylaxis (severe allergic reactions)
If your child has an allergy that could require the use of an epi pen, they will be able to carry their epi pen with them at all times. A special medical form must be completed so we have information about what triggers their reaction. And we ask families to provide 2 epi pens, one to be kept with the camper and the other to be kept in the Health Center. If this is a food allergy, please contact the Camp Director before June 1, or the Health Services Specialist after June 1 so we can be prepared to make any necessary changes to our camp menu.

Diabetes
If your child has diabetes, please complete the special medical form for a camper who is diabetic. Our Health Center has a refrigerator to store insulin. Our Health Services Specialist will work with the camper to provide the support necessary to help them have a successful experience at Camp Pendola. This includes storing and making available snacks, disposal of sharps, a discrete location for testing and insulin administration, and making accommodations for the cabin overnight.
Cell Phones, Digital Cameras, Internet

Giving your child over to the care of other people is perhaps the greatest act of trust you, as a parent, can engage in. We aim to do everything possible to earn and keep that trust. **We also know we cannot do this without your help** and we appeal to you as parents to partner with us to ensure that your children continue to have the safest, most wholesome camp experience possible.

When you chose to send your child to a **overnight** camp rather than to a “day-camp” atmosphere **most parents hope** their children:

- will gain independence,
- develop or increase their self-esteem
- make new friends
- gain knowledge & problem solving skills
- gain traditional values in a wholesome, beautiful atmosphere separate from their “day-to-day” routines at home.

When considering making new friends and gaining independence from the camp experience, a cell phone only hinders that process. Do you allow your children to text message while at the dinner table?

There is also a fundamental problem with campers having cell phones at camp, and that is trust. **When children come to camp they- and you - are temporarily transferring their primary care from you as their parents to us and their care-takers.** This is one of the growth-producing, yet challenging, aspects of any camp. As children learn to trust other caring adults, they grow, little by little, to solve some of their own challenges. We believe this emerging independence is one of the greatest benefits of a residential setting. It is one important way your child develops greater resilience.

Contacting you by phone essentially means they have not made this transition. **Sending a cell phone to camp is like saying to your child that you, as the parent, haven’t truly come to peace with the notion of them being away from you and in our care.** Together, we can explain to your child there is always someone they can reach out to at Camp Pendola whether it be their counselors or the Camp Director. We are all here to help!

What if I need to get an important message to my child? If you need to get a message to your child you may E-Mail your child at camppendola@scd.org and add your child’s name and cabin in the subject line. Your child will get all mail early afternoon each day they are in camp. You may also call camp at 530-288-3263. The phone is answered 24 hours a day when campers are in session.

**Homesickness:** We’ve seen how calling home often hampers the enjoyment of camp and may even promote homesickness. In the event of camper illness, or any other urgent need, parents will be contacted by the camp staff. Should a child become homesick while at camp, our staff will closely monitor the child, work with him/her to overcome the homesickness, and occasionally contact parents for positive encouragement. We believe that overcoming homesickness is an attainable goal. It is important that parents be encouraging and positive should this occur.

“Homesick Parents” It is normally mom or dad who are sitting at home worrying about what they **think** may be happening at camp. So much so, they end up contacting camp only to find that their child is happy and adjusting well without their parents. If you are concerned, please call us and we will check in with their counselor and get back to you. Or check the Camp Pendola Facebook page we try to post twice a day.

**Protecting your Child’s Privacy:** The added issue of “cameras on cell phones” and the opportunity for inappropriate use of those cameras to infringe upon the privacy of others is another reason why schools and athletic clubs do not allow cell phones in locker rooms/restrooms, etc. This is yet another reason why so many camps do not permit cell phones as well.

Please do not have your child “sneak” their phone in. If we do find a cell phone, we will keep it for safe keeping in the staff quarters and return it to them at the time of check-out.

Are you still concerned about your child NOT having a cell phone at camp? Please feel free to contact the Camp Director personally. We are here to help and want you and your child to feel comfortable.
What to Bring

Camp Pendola Packing List

In general, pack the usual items needed by any child on a camping trip. Please pack with your child so he/she is familiar with the supplies packed. This will also help younger children prepare for their trip to camp. Please use the following as a guide for the traditional camp program.

When packing, please mark all of your child’s property clearly. Label each piece of clothing separately with name tape or colorfast ink, (or order through Mabel’s Labels pendola.mabel.ca ). Please DO NOT SEND NEW OR VALUABLE CLOTHES. Be sure that shoes are comfortable and fit well. We suggest that parents pack with their children. We do not assume responsibility for articles left at camp after your child leaves.

There are no laundry facilities during the camp session (except in the case of an emergency), so please pack sufficient clothing for the week-long period. Miscellaneous articles should be placed in a duffle or laundry bag. Everything else should be packed in an old suitcase that will be placed under the camper’s bunk.

All medication must be in the original container with directions for use, the camper’s name and the name of the medication clearly labeled.

Do NOT Send These

- Food of any kind, including chewing gum
- Cell Phones, Digital Cameras, Radios, Walkman/Discman, iPods, stereos, electronic toys, video games, pagers, or DVD players
- Pets or animals are not allowed

CAMPERS GOING ON TRIPS

- Canoers may want to bring a fishing rod and reel and basic tackle.
- Trip Campers may have the opportunity to purchase treats at the end of their trip and may bring spending money.
- Back Packers are required to provide their own framed back pack with hip belt and sternum strap.

Suggested To Bring: Camping Supplies

- Sleeping Bag
- Canteen or water bottle, 32 ounce or larger
- Ground cloth (to place sleeping bag on when on a campout)
- 18 feet of nylon cord (to tie sleeping bag when going on camp-out) or back pack to carry bag and gear.
- Flashlight with extra batteries and light bulb
- Pillow and case

Suggested To Bring: Clothing

- 6 shirts/t-shirts
- 6 shorts
- 2 pair jeans or long pants
- Underwear for each day
- 6 pair of socks (at least 2 pair should be heavy)
- 2 sweaters or sweatshirts
- Pajamas or sweats
- Swimsuit (modest)
- Wide rimmed hat for protection from the sun
- Light rain gear (an inexpensive poncho will be fine; it can also be used as a ground cloth)
- Old tennis shoes or water shoes for walking in water, crossing creeks, swimming, etc.

- Some type of water shoe will be required for all pond activities including swimming. (Flip flops are NOT allowed).
- Pair of broken-in hiking boots or sturdy walking shoes (No sandals or flip flops are allowed in camp).

Suggested To Bring: Miscellaneous Items

- 1-2 bath/beach towels
- Wash cloth, hand towel
- Soap and plastic soap box
- Toothbrush, toothpaste
- Comb, brush, Chap stick, skin lotion
- Sunscreen
- Non-aerosol insect repellant

Optional to Bring

- Item to Tie Dye (100% cotton)
- Camera and film/disposable cameras
- Stamps and letter writing supplies
- Bandanas
- Laundry bag or extra pillow case

Personal hygiene, applying bug spray and sun screen is the camper’s own responsibility. Staff will remind campers to apply, but we recommend that you make sure your camper knows how to apply both bug spray and sunscreen prior to arrival at camp.
Camper Rules

1. We are proud of Camp Pendola—help clean up at the end of activities and keep camp areas clean.
2. You need to ask the camp director for permission to use the telephone.
3. You need to ask the camp director for permission to leave camp.
4. In case of an accident, tell your counselor and report to the Health Center.
5. We wear shoes, and recommend wearing socks, while at Camp Pendola.
6. A Pendola camper tries to be on time for all events.
7. Stay with your group and your counselor. If you must leave your group, tell your counselor and go with a buddy.
8. Treat others fairly. Respect others and their belongings. Keep your hands to yourself.
10. When eating, sit, use a quiet voice, use good table manners, and clean up the area when finished.

Discipline and Dismissal Policy
Camp Pendola is interested in the welfare of all children. Participants in programs sponsored by Camp Pendola are expected to follow the rules of the program and obey the direction of the staff. A child’s failure or inability to follow rules or obey directions may cause a serious discipline problem. A serious disciplinary problem may also occur when a child requires constant one-on-one attention; inflicts physical or emotional harm on other children; abuses staff or is otherwise unable to conform to the rules and guidelines of Camp Pendola’s programs. If a child exhibits behavior that endangers himself/herself or others, parents will be called and required to pick up the child immediately.

If a child becomes a serious discipline problem, the staff will notify the parents of the situation, and discuss a solution. If improvement does not occur, or a solution can not be determined, the staff may recommend that a child be dismissed from the program. The staff will discuss the dismissal procedure with the parents, should a serious discipline problem occur. However, acceptance into the program is conditioned on the above policy and right to dismiss a child from the program as outlined above.

PRE-CAMP CHECKLIST

☐ Read this booklet, even if you are a returning camper.

☐ Complete your health forms. Submit completed forms no later than June 1.

☐ Include a photo copy of the camper’s Health Insurance card, both front and back.

☐ Payment must be complete by your child’s first day of camp.

☐ Pack for camp using the information on Page 18 and 19 of this booklet. Please take note of the items not to bring.

ARRIVAL INFORMATION SUMMARY

Sunday Arrival Time at Camp Pendola is from 2-4 PM. Any camper who must arrive after 4:00 should contact the camp office with the anticipated time of arrival. Please call 530-288-3263 or email the camp director at jcampbell@scd.org

DEPARTURE INFORMATION SUMMARY

Mini Week Campers: Wednesday from 2–4pm.

Full Week Campers: Friday arrive at 4pm to join us for campfire and departure is from 5:30 – 6:30pm. A BBQ dinner is will be available for families before leaving.

Please notify the office if a camper needs to be picked up earlier. Late pick up times are not available.

CHECK OUT PROCEDURES

On Friday evenings when you arrive to pick up your child please be sure to have your ID with you. Staff will be checking ID and asking you to sign out your child.

If you are not picking up your child be please be sure to include the pick up person on your child’s registration. Or you can email the Camp Director Jen Campbell at jcampbell@scd.org any time before Friday informing her of who will be picking up your child. This cannot be done over of the phone, it must be emailed.

Assistant Director (Joseph Rose) 530-288-3263
Registrar (Rochelle Gammad) 916-733-0123
Summer Camp Office (June 1– August 17) 530-288-3263
Camp Pendola is nestled in the Tahoe National Forest two hours northeast of Sacramento. The facility consists of 40 acres of pine, oak and Pacific Madrone trees with 24 buildings to serve the campers who visit. Our Lady of the Sierra Chapel sits prominently in the middle of the camp. Campers enjoy swimming and paddle boating in the pond, archery, hiking throughout camp and the surrounding area, sleeping out under the stars and opening and closing campfires.

**DRIVING DIRECTIONS**

Please use the following directions beginning at the turn off from Highway 49 to Camptonville, CA.

**Continue on Highway 49** for another 3 1/2 miles - DO NOT TAKE PENDOLA ROAD!!! (please check your odometer) Take the road to your left, it is called Pendola Extension Road (3 1/2 miles past the Camptonville turnoff) Pay close attention for the Pendola EXT Sign it is easy to miss. Follow this road for 4 miles, remaining on the blacktop. Two further signs will direct you to Pendola Center. This last section is on gravel road. The total distance from Highway 49 to Pendola Center is about 5 1/2 miles.
